Pre-Registration Application Instructions

Pre-Registration allows veterans and their eligible spouses or dependent children to establish **in advance** eligibility for interment at the Alabama State Veterans Memorial Cemetery. There is no cost for pre-registration, and it does not obligate persons to be interred at the cemetery. Pre-registration is intended to simplify and assist the next of kin at the time of death. Please note that actual interment is subject to a final eligibility determination and availability.

Interment fees for eligible veterans are paid by the United States Department of Veterans Affairs. A fee of **\$375.00** will be collected for interment of eligible spouses or eligible dependent children at the time of placement.

Please complete the application as instructed below:

- Check the “Pre-registration of Veteran” box and select “Interment Type.” Eligible spouses and adult dependent children may also be pre-registered at the same time as the veteran, if so desired (see below).
- Complete the “Veteran’s Information” and “Service Record” sections of the form. Please note that the “Service Record” information listed on this application is not in lieu of providing the Veterans Cemetery with a copy of each **Form DD-214** or equivalent discharge document that the veteran was issued. A copy of each of these documents **MUST** be included when submitting this application. Failure to provide the required service record document will delay processing of the application.
- If at the time of pre-registration, it is felt that a person other than the eligible veteran should be designated as the point of contact, please complete the “Contact Information” section; otherwise, leave blank and the cemetery will contact the veteran when the Cemetery Office has questions.
- Complete the “Spousal/Dependent Information” if the eligible spouse or dependent wishes to be interred in the Veterans Cemetery. A copy of the **marriage license or marriage certificate** **MUST** be included when submitting this application. Failure to provide a copy of the marriage license/certificate will delay processing the application.
- In certain circumstances, dependent children may also be eligible for interment. Complete the “Spousal/Dependent Information” if you wish to pre-register the eligible dependent child. A copy of the birth certificate and other eligibility documents must be included when submitting the application. Please contact the cemetery office for more information regarding dependent children, including the documentation required.
- The person completing the application should sign and date the form. Please indicate the relationship to the veteran. It is recognized that in certain cases the veteran may require assistance and not be the individual completing application.
- Each person who wishes to be interred must complete the attached Declaration of Citizenship or Alien Status for Interment in the Alabama State Veterans Memorial Cemetery.

For questions or further information, please contact cemetery staff at (251) 625-1338 or via e-mail at cemetery@va.alabama.gov. Mail, fax, or email the completed application and copies of the required supporting documents to:
