Alabama Laws Affecting Veterans

November 2019

PREFACE

The Alabama Department of Veterans Affairs (ADVA) receives many requests for information regarding benefits provided by our state for veterans and their dependents.

This pamphlet was prepared to give a brief summary of these benefits. If full and comprehensive treatment of the law is desired, it may be found in the referenced section of the Code of Alabama.

Representatives of the ADVA, known as veterans service officers (VSO), are located throughout the state. Their offices are typically in the county courthouse or in the immediate vicinity. They will be happy to assist applicants with these benefits, and their services are entirely free. To find the office nearest you, visit http://app.va.alabama.gov/county_select_VA.aspx/.

Due to budgetary constraints, the ADVA has a limited supply of this pamphlet; however, feel free to reproduce this pamphlet for your use or distribution. It may be accessed at <https://va.alabama.gov/wp-content/uploads/2019/07/AL-Laws-Affecting-Veterans-.pdf>.

The State Board of Veterans Affairs (SBVA) currently consists of the governor, as chairman, and representatives from the following Alabama veterans organizations: The American Legion, Veterans of Foreign Wars, Disabled American Veterans, AMVETS, American Ex-Prisoners of War, Inc., Vietnam Veterans of America, Military Order of the Purple Heart, Military Officers Association of America, and the Marine Corps League.

Personnel of the department consists of a state service commissioner; assistant state service commissioners as the state board deems necessary; county veterans service officers (VSOs) who provide service to residents of all 67 counties of Alabama; claims representatives; and administrative employees.

The ADVA, acting through the state service commissioner, is the designated agency of the State of Alabama to represent the state and its veterans before the U. S. Department of Veterans Affairs (USDVA) or any other agency dealing with the interest of veterans.

It is the duty and purpose of the ADVA to fully develop and maintain a comprehensive statewide veterans assistance program; to assist the veteran and his/her dependents with veteran related issues and to inform them of their rights and entitlements under current law. It is the duty of the commissioner to cooperate with all other departments of the State of Alabama in coordinating plans and programs of state agencies which affect veterans and their dependents. The ADVA, through its commissioner, provides a central point of contact between federal agencies dealing with the problems of veterans.

It is the duty of the state service commissioner, assistant state service commissioners and county VSOs to inform members of the armed forces, veterans and their dependents of all federal, state and local laws enacted for their benefit. It is their duty to aid all residents of the State of Alabama who served in the armed forces of the United States, their relatives, beneficiaries and dependents to receive from the United States and the State of Alabama any and all compensation, pension, hospitalization, insurance, educational, employment pay and gratuity, loan guarantee or any other aid or benefit to which they may be entitled under current laws or laws to be enacted. Veterans in Alabama have the advantage of being in the position to personally contact and receive service from the VSO near the veteran's home.

There is no charge to any individual for assistance from any of the VSOs.
