

Questions and Answers for Adkins_SVH -2024

1. Will there be a site visit? If so, when will it take place?

Yes. There is an opportunity to tour the CSM Bennie G. Adkins State Veterans Home. The scheduled tour is February 15, 2024 at 10:30 AM. It is an optional tour for no more than 4 representatives per healthcare company intending to participate in the proposal process. Prior to February 15th, send email to kim.justice@va.alabama.gov with name of tour participants along with their title. We will provide vests and hard hats for the participants. The veterans home is still a construction site so feel free to dress comfortably. The overall floor plan is available on Informational tab of our website.

2. When is the RFP question deadline?

The last date to submit questions is February 26, 2024 by 4:30PM CST.

3. The floor plan PDF appears to be low resolution and hard to view, is there another format available to view?

The floor plan is an overview of general layout to identify resident common areas, resident neighborhoods, administrative and back of house areas as well as outdoor courtyards.

4. If our company is registered at the federal level for e-Verify, do we also need to be registered at the state level? If the federal level is applicable, could we provide our account number as proof of registration?

Contractors may meet the requirements by being enrolled in and participating in the federal E-Verify system. A copy of the E-Verify MOU registration with signature pages which includes the account number is to be provided.
